

## English communication skills

English communication skills 102

Course Number : 1502102

Course Title : English Communication Skills (II)

### Course description :

English (102) is a continuation of English (101) in the sense that it builds upon all the skills communicative developed in English (101), listening, speaking, reading and writing. It has an identical structure in terms of format and teaching methodology. The overall objective of the two courses is to enable students to communicate effectively in English both orally and in writing and to make effective use of library resources transmitted through the medium of English, and to be effective communicators.
